

Australian Academy of Tai Chi and Qigong - Brisbane – 2024

Our unique methods of teaching Tai Chi Qigong use the mindful practice of Taoist internal energy meditation. It is deeply restorative, regenerative and invigorating. Being kind to yourself (self-compassion) builds the resilience of mind and body. Applying Tai Chi principles of mindfulness for self-care and restoration provides you with perspectives and tools for managing stress and fatigue physically, mentally, and emotionally.
